Start with `PA2-Report.pdf` for a single reading copy of the primary reports and standardized meeting archive. Editable Markdown and individual PDFs sit beside it. `PA2-Group08.zip` contains one top-level `PA2-Group08/` directory.

Path	Content
Project-Plan.md / PDF	Scope, organization, risks, five sprints, assignments and builds
Vision.md / PDF	Positioning, stakeholders, nine features, two workflows and measurable quality targets
Weekly-Report.md / PDF	Work summary, linked minutes and dated task evidence
Spec-Kit-Training.md / PDF	Initialization, source artifacts and individual learning evidence
AI-Usage-Report.md / PDF	Observed and source-reported usage
Source-Register.md / PDF	Provenance and integration decisions
Submission-Checklist.md / PDF	Rubric-to-evidence matrix
meeting-minutes/	PA1 history for context; Sprint 2 Planning work record, two weekly Scrum records in one file and 31 October Review/retrospective record
src/	Project constitution, feature specs and generated Spec Kit infrastructure
evidence/	Original member work, including Nhân's Spec Kit training and AI-use records, survey, task exports, screenshots, Git and validation
tools/	Common Markdown/Mermaid-to-PDF renderer and export settings
